Title: FSX: Steam Edition - Around The World In 80 Flights Add-On

Genre: Simulation

Developer:

First Class Simulations

Publisher:

Dovetail Games - Flight

Release Date: 14 Jan, 20

English

Littered with all kinds of frustrating bugs. Cruise altitudes are too high. Always loads the ATC messages and view settings from one of my previous flights. Autopilot goes kaput if you try to load a saved flight. Clearly more effort needed to go into testing this package.. Littered with all kinds of frustrating bugs. Cruise altitudes are too high.
